ENTRANCE HALLWAY

Entered via a partly obscure glazed entrance door into a welcoming hallway, with obscure glazed panels above and to one side of the door, allowing plenty of natural light to fill the space. Features include carpeted flooring, wall lighting, stairs rising to the first floor, and solid doors leading to the lounge, kitchen, and dining room.

LOUNGE

A generously sized living room providing the perfect space for relaxing evenings with the family. The room features a large bay window to the front elevation allowing for plenty of natural light, together with a decorative fireplace with stone surround creating an attractive focal point. Further features include a ceiling light point and central heating radiator.

KITCHEN

Fitted with a good range of wall, base and drawer units complemented by roll-top work surfaces incorporating a one and a half bowl sink unit with mixer tap and drainer. A window to the rear elevation overlooks the garden. Integrated appliances include an oven and hob with extractor hood above, whilst there is space and plumbing for an upright fridge freezer and washing machine. Further features include part tiled walls, wood-effect vinyl flooring, and a ceiling light point. A partly obscure glazed door provides access to the rear garden, whilst a solid door leads to the cellar which benefits from power and lighting.

SNUG / DINING ROOM

Currently utilised as a snug area, this versatile space could easily be adapted to suit a buyer's individual needs, including use as a formal dining room if desired. Windows to the side and rear elevations allow the room to feel bright and airy, whilst further features include carpeted flooring, a ceiling light point, central heating radiator, and a decorative fireplace with feature brickwork surround.

STAIRS RISING TO THE FIRST FLOOR

BEDROOM ONE

The primary bedroom is a spacious double room featuring built-in mirrored wardrobes to one wall, providing ample storage space. A large window to the front elevation creates a bright and inviting feel, whilst further features include carpeted flooring, a ceiling light point, and a central heating radiator.

BEDROOM TWO

A further double bedroom featuring a window to the rear elevation, together with a ceiling light point and central heating radiator.

BEDROOM THREE

This versatile space could be used as a home office if desired, featuring a window to the front elevation, carpet flooring, and a ceiling light point.

FAMILY SHOWER ROOM

A newly fitted and spacious family bathroom comprising a WC, wash hand basin set within a vanity storage unit, a bidet, and a generous walk-in shower with wall-mounted shower and pull-down seat, together with a handrail. The room is finished with tiled walls to wet areas and wood-effect vinyl flooring. Additional features include a vertical heated towel rail, wall-mounted storage cupboard, ceiling light point, an obscure window to the rear elevation, and a loft hatch providing access to the roof space.

FIRST FLOOR LANDING AND STAIRS

Carpeted flooring, wall lighting, and solid doors providing access to the three bedrooms and the family shower room.

REAR GARDEN

Solid pathways extend around the property, providing access to the off-road parking area and garage, as well as a central path through the garden leading to the side entrance of the garage. The garden is mainly laid to lawn on either side of the pathway, complemented by mature shrubs and planting, along with a few seating areas ideal for outdoor relaxation. Further features include brickwork borders, with a combination of fencing and brick boundary wall to one side and hedged borders to the remaining aspects.

OFF ROAD PARKING AND GARAGE

Accessed via the side of the property, an iron gate provides access to off-road parking and leads to the garage. A walled boundary and paved pathway continue around to the rear garden, offering convenient access to the property.

FRONT AND SIDE GARDEN

Set on a corner plot, the property benefits from a hedged border wrapping around the frontage and side, providing a good degree of privacy from the road and passers-by. Two access points are provided, including a front entrance and a side access via iron gates, with a paved pathway running around the property leading to both the front entrance and rear garden.
