BREAKFAST KITCHEN

A side UPVC obscure entrance door opens directly into the extended breakfast kitchen, fitted with a good range of wood-effect wall, base and drawer units, complemented by black marble-effect worktops and matching upstands. Integrated appliances include an oven, four-ring gas hob, extractor hood and fridge freezer, with a brushed steel splashback to the hob. There is also space and plumbing for a washing machine. A black one-and-a-half bowl sink and drainer with mixer tap is set beneath a front-facing UPVC window. The room benefits from wood-effect laminate flooring, recessed ceiling spotlights, central heating radiator and space for a table and chairs. A solid door leads through to the hallway.

LOUNGE DINING ROOM

A welcoming lounge/dining room featuring carpet flooring, an electric feature fireplace and two central heating radiators. A feature glass brick panel provides additional natural light through to the hallway, with a UPVC double-glazed window overlooking the front elevation. There are two ceiling light points and ample space for a dining table and chairs.

BEDROOM ONE

The primary bedroom benefits from a UPVC double-glazed window to the rear elevation, enjoying lovely views. There is built-in wardrobe storage, carpet flooring, a ceiling light point and central heating radiator.

BEDROOM TWO

A spacious second double bedroom with built-in sliding door wardrobe storage, carpet flooring, central heating radiator and ceiling light point. The room also enjoys lovely rear-facing views through a UPVC double-glazed window.

FAMILY SHOWER ROOM

The family shower room is fitted with a shower enclosure featuring a rainhead and hand-held shower attachments with screen doors, a WC and wash basin set within a

vanity storage unit. There are tiled walls to the wet areas, vinyl flooring, ceiling light point, central heating radiator and extractor fan. An obscure UPVC double-glazed window to the side elevation provides natural light.

HALLWAY

The inner hallway has carpet flooring, a feature glass brick panel providing borrowed light from the lounge/dining room, ceiling light point and solid doors leading to all rooms. There is also a useful storage cupboard and loft hatch access. The loft is accessed via a pull-down ladder and benefits from power, lighting and good head height, offering potential for conversion if required, subject to the necessary permissions.

DRIVE AND GARAGE

The driveway has been slightly widened by the current owner and can comfortably accommodate at least two vehicles, providing convenient off-road parking. The driveway leads to the garage, which benefits from an electric fob-operated door, power and lighting, a rear-facing window and a side door providing access to the rear garden.

FRONT GARDEN

The tiered front garden is enclosed by a wall to the front and hedge to one side, with a decorative iron fence set within a pebble border alongside the driveway. Steps with handrail lead down the side of the drive to the pathway and property access door. To the front of the property is a useful latticework bin store. The lower tier of the front garden comprises a pebble bed, whilst the upper tier is planted with a variety of mature shrubs and plants.

REAR GARDEN

The enclosed rear garden is accessed via the garage, with non-slip steps and handrail leading into the garden. The garden features patio areas with connecting pathway, lawn and planted flower and vegetable borders, enclosed by fencing to three sides. A

water feature is set within a pebble bed, whilst the garden enjoys fantastic surrounding countryside views.
